*Let's help each other get better at planting churches.*

121 Degrees Church Planting Network is seeking to inspire, mobilise and support evangelical and reformed Christians for church planting in Perth and beyond. Join us at CORE as we sit down with Tim Chester (The Crowded House Network, Sheffield, UK) and Jeff Vanderstelt (Soma Communities and Acts 29, Washington State, USA). These two men have extensive experience in church planting and in helping church planters, so take this rare opportunity to be in the room with them as together we sharpen our focus on the core of church planting – the people we need to be, values we must hold, and the mission we must be on. Places are limited to 100 full-time attendees (no part-time attendance), so register early.

**121 degrees** Church Planting Conference of 2010

**Date** Thu 5th - Sat 7th, August 2010

**Venue** St Mary's Anglican Church, 42 Colin Street, West Perth

**Cost** WA delegates: \$125 full time only (Students: \$90),  
Interstate and overseas delegates: \$40 discounted full time rate.
